Blush Elegance™

Rhododendron x 'RLH1-12P0' PP24467

Garden Debut®

These over-achieving bloomers outdo themselves from spring to fall! Abundant blossoms appear in spring, followed by a light summer flower before yet another wave of blooms fully envelops every inch of these truly remarkable re-blooming azaleas. Create a show-stopping hedgerow or fill out a small garden with these beauties and discover the new definition of “Flower Power!”
